

# Instructions for Qualatex<sup>®</sup> Party Bursts

To keep assembly time to a minimum, gather the materials and read through the instructions before beginning.

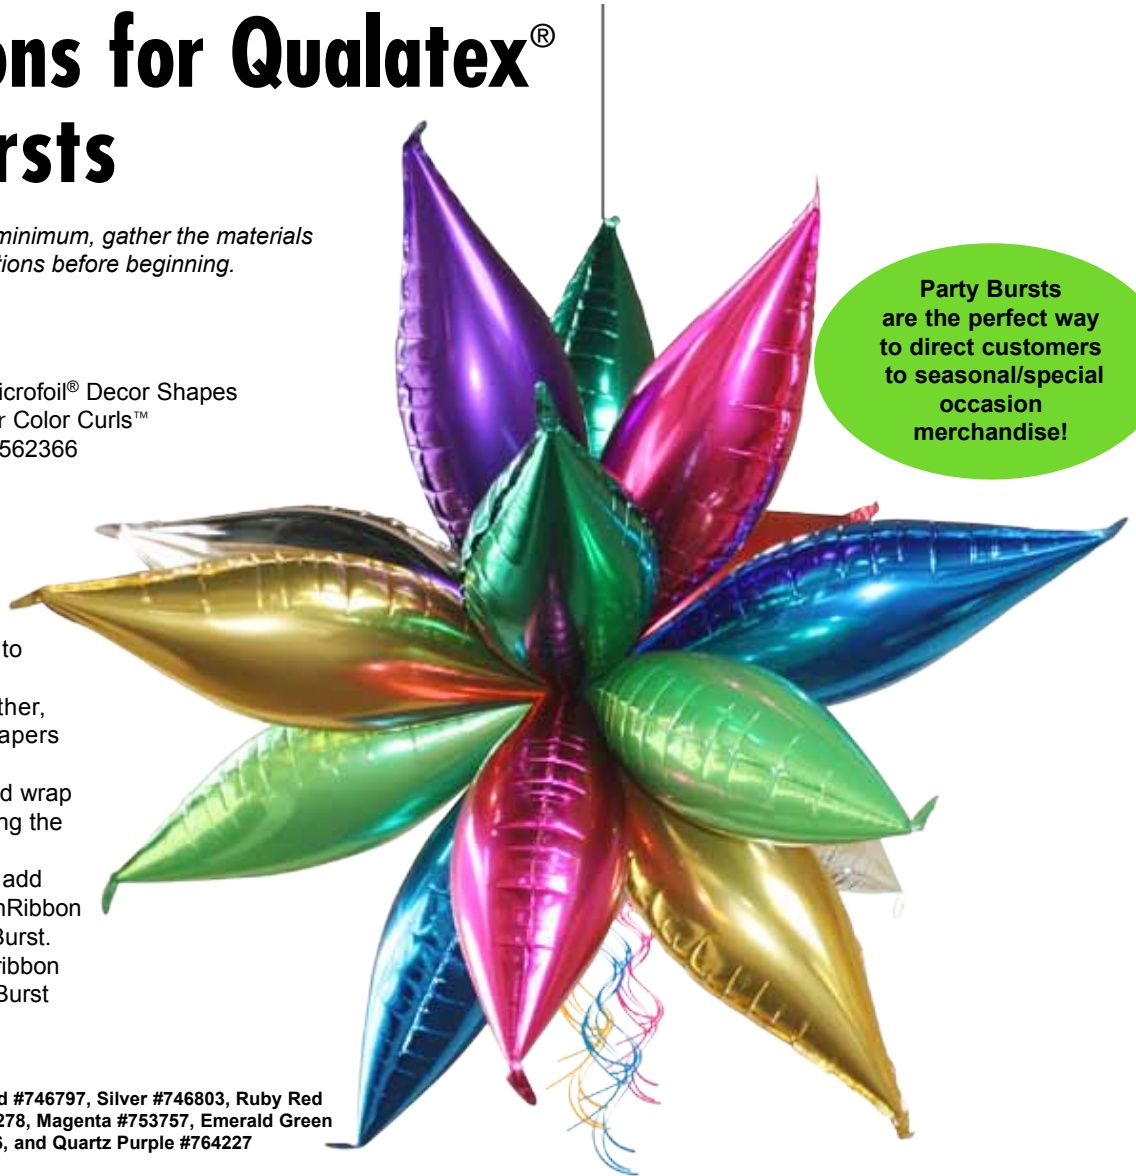

**Labor:** About 20 Minutes

**Materials:**

16 27" (68.5cm) "Taper" Microfoil<sup>®</sup> Decor Shapes  
Qualatex BalloonRibbon<sup>™</sup> or Color Curls<sup>™</sup>  
Monofilament (Fishing) Line 562366

**Instructions:**

1. Using a hand inflator, inflate two 27" "Taper" Decor Shapes, and tie together, as close to the necks as possible. Repeat to create a second pair.
2. Twist the two pairs together, making sure to "lock" the Tapers in place.
3. Create six more pairs, and wrap them in one at a time, keeping the center constant.
4. Use monofilament line to add Color Curls or curled BalloonRibbon into the center of the Party Burst.
5. Tie monofilament line or ribbon into the middle of the Party Burst and hang from the ceiling.

Party Bursts are the perfect way to direct customers to seasonal/special occasion merchandise!
